

SULLIVAN

Square Footage:

3,000

**(plus 1,000 for family/
guest house)**

Bedrooms:

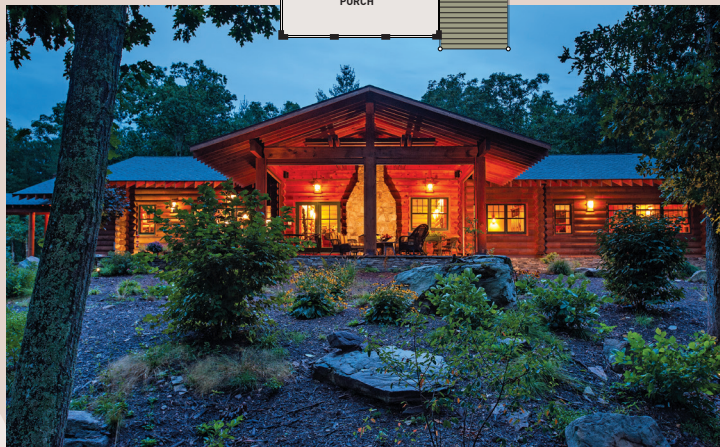

1 (plus 3)

Bathrooms:

1.5 (plus 2)

This Arts-and-Crafts-style woody retreat is modeled after a Greene and Greene home in California but features 12-inch white pine logs. The wide overhangs emphasize its low profile. The peaks and overlapping areas give the home's silhouette a multidimensional look.
